7.0 SAILING INSTRUCTIONS:

- 7.1 Sailing Instructions for all regattas in the 2019 WCSS will be distributed at registration check-in. Extras copies of the SIs will be available at all skipper's meetings for the Series, as well as being posted prior to the first race of each regatta, on the 2019 WCSS website (www.westcoastspringseries.com), the SDYC website (www.sdyc.org) or at the link for each individual regatta.

8.0 COURSES:

8.1 The race course configuration will be windward–leeward and may include offset marks and gates.

9.0 PENALTIES:

9.1 A boat may take a One-Turn Penalty including one tack and one jibe when she may have broken a rule of Part 2 or rule 31 while *racing*. This changes Rule 44.1.

9.2 However, when a boat may have broken a rule of Part 2 while in the *zone* around a *mark* other than a starting *mark*, her penalty shall be a Two-Turns Penalty, each turn including one tack and one jibe.

10.0 SCORING:

10.1 For each individual regatta in the Series, the Low Point scoring system, *Rule A2*, will apply, except when fewer than five (5) races have been completed in a regatta, the boat's score will be the total of her race scores. (This changes *Rules A2*.)

10.2 To qualify for the overall 2019 WCSS awards, boats must count their place in the Mid-Winters West Regatta, and any two of the other three individual regattas (NOOD/Bill Bennett Memorial Regatta, Pacific Coast Championship and Orca Bowl Regatta). Place scores from each individual regatta of the Series will be used with a Low Point Scoring System (1st Place = 1 point, 2nd Place = 2 points, 3rd Place = 3 points, etc.). The boat with the lowest score will be declared the winner of the 2019 West Coast Spring Series.

10.3 **Since the overall WCSS Series score is determined based on regatta scores, the tiebreaker, if any, will also be determined based on regatta scores, not based on individual race scores as in RRS, Appendix A8, Rules A8.1 and A8.2. For the overall 2019 WCSS scoring, in the event one or more boats are tied after applying one throw out, the tiebreak winner(s) will be determined from the lowest regatta score of the tied boats in the most recent regatta that the tied boats all raced together.**

11.0 AWARDS:

11.1 For each individual regatta in the Series, the top three skippers and crew will receive awards.

11.2 For the overall 2019 WCSS, the top three boats scored for the Series will receive awards.

11.3 For the overall Series and each regatta, a Corinthian class will be scored for those boats who request to be classified as such. The top three Corinthian boats competing in that class will be awarded a trophy. To qualify for the Corinthian class, skippers must register as Corinthian class sailors at the online registration and certify that the skipper and all crewmembers are eligible Category 1 sailors as defined by WS Regulation 22.

12.0 TOWING:

- 12.1** An attempt will be made to provide towing for competitors to the starting area if the wind is too light to sail. If available, tows will be made up in the Star Hoist Area and La Playa turning basin and will commence at approximately 0930. Towing is limited and will be available on a first come, first served basis. Please be ready with tow lines attached in the towing area on a timely basis.

13.0 SUPPORT BOATS:

- 13.1** Coach and support boats must be registered with the Organizing Authority prior to acting as a coach or support boat and shall be marked with identifying flags issued by the Organizing Authority. Boats shall display identifying flags at all times while they are acting as a coach or support boat.
- 13.2** All registered coach and support boats will carry on board and operate while on the water a VHF radio capable of transmitting and receiving on VHF Channels and agree to assist the Race Committee if directed to do so.
- 13.3** Competitors shall have no communication with, and boats shall not be tied to, coach or support boats from 30 minutes before the first scheduled Warning Signal of the day until racing has been concluded for the day. This 30-minute time will be signaled by the display of code flag Bravo with one sound signal, which will be removed one minute prior to the first scheduled Warning Signal of the day. Between races, coach and support boats shall not approach, communicate with or transfer provisions or equipment to or from their supported boats unless in a medical or emergency requirement threatening the health of the crew or the flotation of the boat and only with the expressed permission of the Race Committee.

14.0 HAUL-OUT RESTRICTIONS:

- 14.1** Hoisting facilities are available at the San Diego Yacht Club. Boats shall be afloat no later than the warning signal of the first race for each regatta. Boats shall not be hauled out during the regatta without an approved written request to the Principal Race Officer and a Designated Class official. This changes RRS 45.

15.0 DISCLAIMER OF LIABILITY:

- 15.1** The safety of a boat and her entire management shall be the sole inescapable responsibility of the owner/owners' representative. Sailing is an activity that has an inherent risk of damage and injury. Competitors in this event are participating entirely at their own risk. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability associated with such competitor's participation in this event to the fullest extent permitted by law.

16.0 MANDATORY INSURANCE:

16.1 Each boat is required to hold adequate insurance including third-party liability insurance, and it is the owner or owners' representative's sole and inescapable responsibility to ensure that the insurance is in place and is adequate prior to participating in this event. **Proof of insurance shall be supplied with each entry or upon registration check-in.** Insurance policy declaration page should be emailed to: boatinsurance@sdyc.org.
